

*Temporary recruitment
for your business*

Ey-up!

At Glu Recruit we provide high calibre temporary staff as well as permanent!

Whether you need cover for 1 day, 1 month or 1 year, our temporary recruitment service can help you to plug that gap in your business.

Do you need temporary cover for holidays, sickness or maternity leave?

Is the nature of your business seasonal and you need cover for your busier times of the year?

Recruiting a temporary member of staff could be the best way forward if you have a short term vacancy to fill!

We have access to a large pool of temporary talent that our clients can utilise to fill their short term recruitment needs.

All of our candidates are interviewed face to face, ID checked and referenced by the team at Glu, meaning you don't have to take time out of your busy schedule to go through a lengthy interview process. If your deadlines are short, we can even supply temporary workers on a same day basis.

All candidates are employed by Glu and as such we manage their attendance, performance and statutory entitlements saving you time and hassle.

Depending on your longer term plans, you also have the option to take on the candidate as a permanent employee once their initial term has finished, allowing you to assess the qualities of the individual risk free over the duration of their temporary position.
